You can choose between purchasing the entire book in paperback OR in e-book format. Both contain everything you'll need to prepare for college, in a very aesthetically pleasing, easily read format. It's 104 pages long, and has been professionally edited and designed. Here's a look at the table of contents...

Table of Contents:

- Getting Ready to Launch
- Planning for College
- Choosing a College
- College Entrance Exams
- The Application Process
- Visiting College Campuses
- College and Money
- Making the Transition to College
- What to Bring to College
- Sharpening Your Study Skills
- Time Management
- Thoughts for Parents
- Keep Learning

There are two different ways to purchase the paperback book.

1. From me, using the College Answer Guy Store; Click on that link and purchase through PayPal. Payments ARE secure, and I will never have any information about your purchase except your name, address, e-mail address, and the amount of your purchase. If it makes any difference to you, I personally make more on each purchase this way. These purchases are usually shipped the day after payment is secured.
